

# Data of the 113th Congress

Vote Data from January 3, 2013 to January 3, 2015

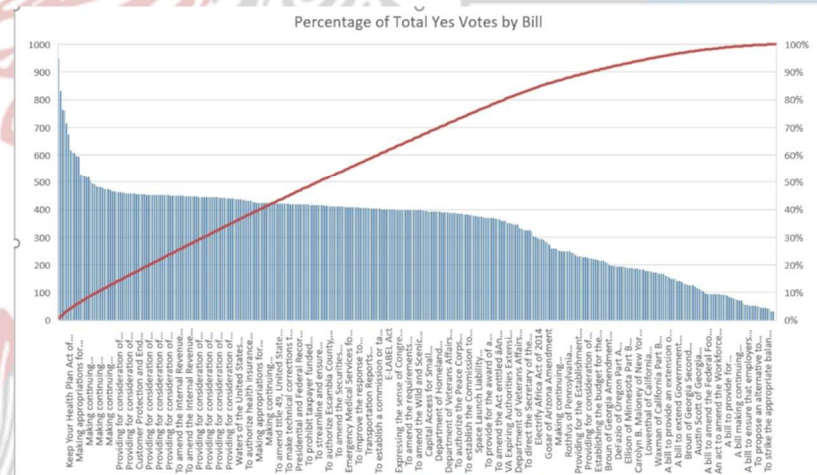

Only 18% of bills made it to the **Senate**, others only making it to the **House of Representatives**.

The number of **Total Yes Vote Counts** stayed relatively steady throughout the Congress, but dipped towards the beginning of the last third.

Most bills recieved a majority **Yes** vote, regardless of their description.
